Dear Parents of Solomon Schechter School Students:

We are excited to continue to offer chess classes to the students of your school. The director of the National Champion En Passant Chess Club, Mr. Gabriel Boyd, and his staff, will teach and coach on Thursdays from 3:45pm to 4:45pm. The En Passant Chess Club has chess programs at many schools in the area, including MICDS, Community, and Chesterfield Day. Additionally, Mr. Boyd is the Vice President of the Gateway Chess League.

The chess classes will be open to students in grades K thru 8. The basics of the game will be taught to the students that are not familiar with the game, as well as more advanced ideas and concepts for those students that already have chess experience. Mr. Boyd has led five teams to State Championship titles and several teams to National Chess awards. Students in the chess classes will have an opportunity to participate and represent Solomon Schechter School in many more chess activities locally, and across the country. Please note that the registration form for this chess class is on the other side of this letter.

Sincerely,

Gabriel Boyd
En Passant Chess Club Director
